

## **Indigenous Health Sciences Summer Camps 2017**

**We're looking for Indigenous youth interested in having fun & learning about health careers!**

The Dalhousie Faculty of Medicines Indigenous Health Program in partnership with The Johnson Scholarship foundation, and The Atlantic Policy Congress of First Nations Chiefs (APC) will be hosting two Health Science Summer camps for Indigenous students this summer. The camps will be located at Cape Breton University, July 18-21, and Saint Francis Xavier University, July 23-26, 2017. As a participant in this program, students will be exposed to a variety of health care professions and training programs through interactive, hands on programming

Global Health Office

**Applications are available from your school or  
<https://medicine.dal.ca/departments/core-units/global-health/diversity/indigenous-health.htm>**
