If teachers have not yet downloaded the curriculum documents, they can be found (not all) in various stages (final, draft, conceptual, ..) on the protected website: <http://www.educators.ednet.ns.ca> along with other core resources for particular subjects as well as Learning Outcomes Frameworks for P-6, 7-9 and 10-12 (lists all the GCO's and SCO's for each subject/course from P-12)

- Go to <http://www.educators.ednet.ns.ca/>
- Use your staff EDnet ID and password that you use at school
- Click on Business Education

The DoE are looking to house all the curriculum guides/documents in a central place in the near future-stay tuned as not all curriculum guides are on the fore-mentioned educator's site (i.e. Health P-9). This is called the Edu-Portal. Check this central place out at <http://edapps.ednet.ns.ca/eduportal> . You will need your Employee Number as found on your payroll information.

There may be old and new draft outcomes both on PowerSchool for subjects like Health P-9, Social Studies 5, etc. It is up to staff and principals to decide where they are in the implementation stage (usually a 3-year implementation for new curriculums). We encourage teachers to use the newer outcomes whenever possible, especially if there are support resources available (i.e. Health P-9).

**PSP Business Education courses** scheduled to end as of June 2012: Business Communications 12 (002036), Business Communications 12 IPP (002310), Consumer Education 10 (002006), Consumer Education 10 IPP (002304).
