- 1.1. The South Shore Regional School Board (SSRSB) will, to the extent possible, have its schools open during the “best learning time” of its students.
- 1.2. The SSRSB understands that both the start and end of the school day are, to some extent, determined by limiting factors, such as the availability of buses, other school’s start and end times that use the same bussing system, instructional time as set out by the Department of Education, etc.
- 1.3. The SSRSB recognizes that changes in transportation due to changes in the start and end times of schools are to be educationally beneficial, not detrimental, to the students affected.

- 2.1. This policy complies with the Education Act and other related provincial acts and policies.
  - 2.1.1. SSRSB Policy 310: Student Transportation
