1.0 PRINCIPLES

1.1 This policy describes the South Shore Regional School Board’s (SSRSB) responsibility and procedures with respect to planning and revising school catchment areas.

1.2. The South Shore Regional School Board (SSRSB) is committed to ensuring an informed, comprehensive process when revising school catchment areas so that full and deliberate care is taken in providing the best possible outcome and that the interests of students, community, and the board overall are balanced and well-served.

1.3. School Catchment Area Review will only occur during a Board approved School Review.

1.4. The following principles will be applied by the School Options Committee (SOC) (but not limited to) when considering the revision of school catchment areas as part of the Provincial School Review Policy:

1.4.1. Optimizing travel times for students to and from school.

1.4.2. Safety of students is a priority for SSRSB and will be a factor in proposing school catchment area revisions that support walking distance where practical;

1.4.3. Providing a safe, efficient, and cost effective transportation system for students;

1.4.4. Recommendations will demonstrate effective and efficient management of board resources;

1.4.5. Any recommendations coming forward from an SOC will include rationale based on the above principles.
2.0 POLICY FRAMEWORK
   2.1. The School Catchment Area Policy will align and comply with the following:
       2.1.1. *Nova Scotia Education Act and Regulations*;
       2.1.2. Department of Education and Early Childhood Development *School Review Policy*;
       2.1.3. SSRSB Policy 310 *Student Transportation*;
       2.1.4. SSRSB Policy 210 *Student Transfers*;
       2.1.5. SSRSB Policy 340 *Private Conveyance*;
       2.1.6. SSRSB Policy 265 *Change to Start/End of School Day*.

3.0 RECOMMENDATION FOR A CATCHMENT AREA REVIEW
   3.1. A catchment area review may be recommended as one outcome in a School Review to respond to recommendations from the Long Range Outlook for any of the following reasons or circumstances:
       3.1.1. Reorganization of catchment areas involving a school or group of schools to enhance safe, efficient, and cost effective transportation system for its students;
       3.1.2. Reorganization involving a school or group of schools to enhance program or learning opportunities for students;
       3.1.3. To accommodate grade configuration;
       3.1.4. To respond to changes in demographics;
       3.1.5. To respond to the permanent closure of a school(s);
       3.1.6. To respond to new school construction.

   3.2. Recommendation of catchment area revisions that will impact adjacent families of schools not included in an SOC terms of reference may be included in final recommendations to the Board.

   3.3. Any recommendation to change catchment areas of an adjacent family will be considered following discussion with adjacent school advisory council (SAC) and include one public meeting.

4.0 POLICY REVIEW
   This policy will be reviewed every five (5) years or on an as needed basis.

5.0 AUTHORIZATION
   The Superintendent is authorized to issue procedures in support of this policy.
