Opportunities	Challenges
<ul style="list-style-type: none"> - Might create more work for daycare - Older students look out for younger students - Child care - Additional rest - Alignment with other schools - Less time on bus - Decrease in "bad" language - Young students will get home at the same time as older students (dismissal because of inclement weather) - Young siblings feeling comfortable with older siblings being on the bus - Having a presence of older students on the bus (less issues with younger students) - Study groups for high school students b/t end of day and when they have to go to work - More time for eating breakfast - Save on daycare costs 	<ul style="list-style-type: none"> - After school activities - Established jobs - Teaching staff for extra-curricular/help - Engagement of students in afternoon (P-12) - Change - Younger students with older students - Bullying - Bus issues (bullying, drugs, swearing) - Seating plan? - Students are worried about the buses being crowded - Size of students per seat, to avoid crowding will the students be combined? - Multi-stops for split families
