9. The following message will appear to notify parent(s) of the referral in the form of a letter.
SSRSB schools notify parent(s) personally, regarding the referral, in lieu of this letter.

10. Under **Set Document** click **Status from Draft to Final**. Click **Accept**.

Notes:

- Each service can only have one open service at a time. For a new referral of the same service, the status of the existing one must be changed to **Service Discontinued** or deleted, if appropriate, by the SSRSB TIENET Administrator.
- The Service Provider updates Services Data information.
- A referral is only visible to the Service Provider when the document is set to Final.
- A report can be run at the school level to determine if there are unfinalized referrals.
Go to Reports / Standard Reports / Documents / Incomplete (Not Finalized) Service Referrals.
