

## Living on the South Shore

With mild winters and warm summers, Nova Scotia's South Shore is an idyllic place to live and work. Housing is affordable and there are also rentals available in most towns and surrounding areas. Bridgewater is the busiest commercial centre south of Halifax and is also the fastest-growing community of its size in Nova Scotia. Move for a teaching position and stay for the friendly people, beautiful scenery and comfortable lifestyle.

The South Shore is also an easy commute from Nova Scotia's largest urban area, with many of our schools located south along Highway 103.

## To Apply for a Teaching Position

1. Visit [ssrce.ca](http://ssrce.ca)
2. Click on Employment
3. Click on Job Search and narrow down your search by location, department or type, or simply click search to visit all the positions we have available.

## A Career on the South Shore

Start or expand your career on Nova Scotia's South Shore. The South Shore Regional Centre for Education (SSRCE) has 23 schools. Every year we look for educators to fill vacancies in a variety of areas including Math, Science, Physical Education, French, Music, Tech Education, Guidance, Resource and more.

The SSRCE is an equal opportunity employer committed to employing individuals whom represent the diverse communities we serve. Teaching positions come with an excellent pension plan option.

### What Makes the South Shore Unique?

#### Collaborative Learning Teams

South Shore teachers participate in collaborative learning time that is embedded into the school day, which isn't common among other school regions. Teachers are organized into small groups that work together to discuss curriculum, examine teaching techniques and review student data.

#### Professional Development Opportunities

A progressive region where teachers have the opportunity to expand their learning and professional growth through access to Instructional Coaches in all subject areas. The result is increased student achievement and engagement.

#### Educational Community

The SSRCE is a region that values relationships and fosters a supportive professional community in which teachers are supported at both the school and regional level. We work collaboratively and the size of our region inspires a positive educational community.

## Adventure on the South Shore

A picturesque area with the ocean, lakes, rivers and outdoor activities on your doorstep, the South Shore is a nature lover's paradise. Go for a hike in Kejimikujik National Park, kayak at Blue Rocks, cycle the Rum Runners trail or go for a swim at one of our numerous white sand beaches.

Discover the numerous festivals and events throughout the year and visit the many local galleries, shops and artisans. Walk the historic town of Lunenburg, a designated UNESCO World Heritage Site. Explore the iconic community of Mahone Bay, with it's famous Three Churches. Visit the Fort Point Lighthouse in Liverpool. The list of activities and historical escapes is never-ending.

There are many great reasons to join us on the South Shore - of course we can't forget to mention our award winning restaurants and being home to the Bluenose II in Lunenburg!
