

StFX, in cooperation with SSRCE, is preparing to offer a three-year 60-credit off-campus Bachelor of Education (B.Ed.) Elementary Stream program with 20 weeks of Field Experience. This program will be offered on weekends and evenings over a three-year period, making it the perfect opportunity for someone to complete the B.Ed. degree while still having the ability to work.

The start-date of this program, planned for September 2022, is contingent on minimum enrolment requirements.

Participants will enrol in the elementary stream and, upon successful completion, will attain an Initial Teaching Certificate (ITC). Classes will be taught in-person at Forest Heights Community School, Chester Basin, SSRCE; and online. **Applicants will need to have successfully completed (or nearly completed) an undergraduate university degree.**

The program will be offered in a combined in-person and online delivery mode (i.e., primarily in-person for 27 hrs/course and online for 6 hrs/course). The typical delivery of courses will be in-person on three weekends (Friday 6:00-9:00 pm and Saturday 9:00 am-4:00 pm) with online classes (6:00-9:00pm) on two weekday evenings (i.e., a total of 33 hours/course). We plan to offer three courses consecutively per semester (fall and winter). The program will include 4 Field Experience sessions (5-weeks per session).

APPLICATIONS ARE TO BE SUBMITTED ON THE StFX ONLINE APPLICATION FORM ONLY FOR THIS OFF CAMPUS B.ED. PROGRAM.

Application link: <https://www.mystfx.ca/bachelor-of-education/index.php/how-apply>

Ensure to indicate Three Year Bachelor of Education Off Campus Elementary on the application.

Application Deadline May 1, 2022

Applicants will be notified by June 15, 2022
