

StFX, in cooperation with SSRCE, is preparing to offer a three-year 60-credit hour off-campus **Bachelor of Education Elementary Stream** program with 20 weeks of Field Experience. This program will be offered on evenings and weekends over a three-year period, making it the perfect opportunity for someone to complete the degree while still having the ability to work.

The start-date of this program is planned for September 2022.

Upon successful completion, graduates will attain an Initial Teaching Certificate (ITC). Participants will enrol in the elementary stream.

Classes are delivered primarily face-to-face at Forest Heights Community School, SSRCE; and online. **Applicants will need to have successfully completed (or nearly completed) an undergraduate university degree.**

The program will be offered in a combined face-to-face (27 hours/course) and online (6 hours/course) delivery mode. Face-to-face classes are scheduled on weekends. We plan to offer three courses per (fall and winter) term consecutively; there will be 33 hours of classes per course. The typical delivery of in-person courses is on Friday 6:00-9:00 P.M. and Saturday 9:00 a.m.-4:00 P.M.

APPLICATIONS ARE TO BE SUBMITTED ON THE StFX ONLINE APPLICATION FORM ONLY FOR THIS OFF CAMPUS B.ED. PROGRAM.
