

South Shore Regional Centre for Education

Regional Science Fair 2024

March 27-28, 2024

March 27: Set-up at LCLC from 4:30 pm - 6:30 pm

March 28: Regional Fair Day at LCLC from 8:30 am - 4:30 pm

We invite students in grades 5-12 to participate in our Regional Fair.

We are updating the Science Fair information on the SSRCE Google Launch Page.

You are invited to click on the "SSRCE Science Fair" link below to access helpful information.

Intent to Participate

- This tells us how many potential projects you estimate having in your own school.
- We will contact you later for final numbers.
- We will notify you in February regarding the number of projects you can bring forward.
- Eligible projects may include MakerSpace/Brilliant Labs innovations and projects, classroom-based projects, and research related to STEAM (Science, Technology, Engineering, Arts, Mathematics).
- Individual student projects will be gladly accepted with a teacher contact.

Name of School:	_____	# of Participants in Your School Fair:	_____
Teacher Contact:	_____	Grades 5/6:	_____
Email address:	_____	Grades 7/8:	_____
Phone number:	_____	Grades 9/10:	_____
		Grades 11/12:	_____

When it is time to register, all registrations will be done online ONLY at

<https://sites.google.com/gnspes.ca/ssrcscience/home>.

Fax your form to 902-541-3049, ATTN: Cheryl Veinotte

Or email to cveinotte@ssrce.ca.

No later than Monday, January 30, 2024

For further questions, please contact Jane Berrigan at jberrigan@gnspes.ca.
